"We've had some really lovely celebrations in The Hideaway and it's about making those special moments extra special. Our Hideaway is a really lovely setting for groups to come together as part of their spa experience, there are not many spas who embrace space for groups to catch up and have a gossip but having time together to have a giggle is just as good for you as the revitalising spa experiences we offer in the World of Spa!"

There are four packages to choose from starting from £50 per person. For more information visit www.aquasana.co.uk or call 01985 848374.
