# Three Aqua Sana spas shortlisted in prestigious Good Spa Awards

Aqua Sana has had three of its spas shortlisted in categories of the Good

Spa Awards 2019. Aqua Sana Whinfell Forest is shortlisted in the 'Best Spa for Customer Service' category, Aqua Sana Woburn Forest in 'Best Spa Day' and Aqua Sana Sherwood Forest in 'Best Destination Spa'.

Each Aqua Sana Spa is idyllically located within acres of natural woodland, with at least 15 spa experiences offered across each beautifully designed space. Positioned within a unique forest environment, spa guests are provided with the perfect opportunity to truly unwind.

Spa guests can visit Aqua Sana Spa for the day, an evening, or a three-hour session if on a Center Parcs break. At Woburn Forest, Sherwood Forest, Longleat Forest and Elveden Forest guests can also enjoy an overnight spa break. There are a wide range of indulgent Decléor and Elemis treatments available, all performed by experienced spa therapists who ensure that guests leave relaxed, revitalised and refreshed.

Aqua Sana also creates special offers that are themed around the changing seasons and latest trends. This winter guests can enjoy a Festive Fiesta Spa Day for 2 with a glass of sangria and a Spanish sharing platter or a Rose Gold Spa Day for 2, complete with a delicate rose scrub and luxurious gold products, along with the usual offerings of Spa Days, evening Twilight Tasters and Morning Escapes.

2019 will be the prestigious Good Spa Awards' tenth year of recognising spas from across the UK. The awards are voted for by the public from 1 – 31 October and the winners will be announced on 11 November.

To vote for Aqua Sana Spa, follow the link here:

## Notes to Editors

- Center Parcs UK has been a separate company to Center Parcs Europe since 2001; the two organisations only share a brand name and the core concept of family short breaks in the forest.
- Center Parcs UK has five villages across the UK; Sherwood Forest in Nottinghamshire, Elveden Forest in Suffolk, Longleat Forest in Wiltshire, Whinfell Forest in Cumbria and Woburn Forest in Bedfordshire. Each village is nestled within 350-400 acres of woodland with a variety of activities to choose from, restaurants and cafes. There is also a Subtropical Swimming Paradise and award-winning spa called Aqua Sana.
- Center Parcs UK offers weekend, (Friday to Monday) or midweek (Monday to Friday) breaks and welcomes more than 2.1 million guests each year, with 96% of guests expressing an intention to return. Visit England recently awarded the company five stars for all

sites (scoring each village between 90% and 98%), making comments about the friendly nature and efficiency of the staff and the quality and cleanliness of the facilities.

- As the leader in the UK short break holiday market, Center Parcs UK achieves average annual occupancy in excess of 97%.
